

OCEC Energy Efficiency Program - Residential Rebates

Rebates are limited to five times (5x) the amount contributed to the Energy Efficiency Fund in a twelve-month period or \$5,000; whichever is greater. OCEC reserves the right to change or discontinue rebates at any time without notification. All requirements for specific rebates must be met in order for a rebate to be paid. At no time will OCEC pay a rebate for an amount over what the purchase price of item was.
