Operation Round Up

Operation Round Up® is a simple and meaningful way to support your community. Your monthly electric bill will be rounded up to the next whole dollar. For example, if your bill is \$55.62, it will be rounded up to \$56.00 – just 38 cents more. Those small monthly contributions—never more than 99 cents—add up to make a big impact. The average member donates only about \$6 per year, yet collectively, these funds provide vital support to local individuals and organizations in need. Even better, your contributions are tax-deductible. Members are automatically enrolled in the program but can opt out if they choose.

Contact Methods

We may contact you by telephone, text, and/or email at any number or email address associated with your account, including wireless numbers, which could result in charges to you. These communications could include collection calls regarding amounts you owe, general communications about your account or membership, outages, or emergencies. Messages may include pre-recorded or artificial voice messages and/or the use of an automatic dialing device, as applicable.

OCEC uses phone numbers and email addresses solely as a method of communication with its members and does not share your contact information.
